THP Tempranillo was created by winemakers that believe in the magic of blended wines. This blend is composed entirely of grapes sourced from the Texas High Plains AVA, fermented as separate parcels and blended to achieve a balanced and complex wine.

This terroir driven wine is highly perfumed with a complex spicy nose of baking spices, ripe plum, and dried tobacco; along with aromas of toasty oak. This wine is full bodied with vibrant acidity and firm tannins, and an excellent wine to try if you're a fan of great Cabernets, but wanting to try something different.

Our THP blends were intended to be enjoyed at the dinner table. These varieties come together to create a savory effect when paired with hearty cuts of steak, ribs, brisket, or pork. Enjoy!
