Texas has a longstanding reputation of excellence for its agricultural products. Monte Stella wines are produced from Texas grapes by Texas hands, and made to be enjoyed with food, friends, and family. The Monte Stella brand is dedicated to producing the highest quality wines from Texas grapes.

Monte Stella Sauvignon Blanc is dry and crisp, displaying ripe citrus and exotic tropical fruit aromas. The wine's zesty mouthfeel is complimented with firm acidity and a lingering citrus finish. This wine refreshes the palate with every sip.

Not only is Sauvignon Blanc great to savor by the glass but it's a particularly good food wine. Use your imagination when pairing with food, but our favorites include oriental foods, chicken dishes, and lighter seafood or gazpacho.

Serve chilled and drink within 2 years of vintage date.
