The 2018 Sauvignon Blanc is a wonderful, dry white wine displaying aromas of passion fruit, guava, and lemon peel. The wine's zesty flavor is complimented with firm acidity and a lingering citrus finish. This wine refreshes the palate with every sip.

Not only is Sauvignon Blanc great to savor by the glass, but it's a particularly good food wine. Use your imagination when pairing with food, but our favorites include aromatic foods like herb rubbed grilled chicken, most green salads, or lighter seafood such as red fish, tilapia and scallops.

Serve well chilled.
