Each year Llano Estacado Winery produces limited amounts of Red Raider wines. Red Raider wines were developed as a partnership between two icons of West Texas - Texas Tech University and Llano Estacado Winery. With a portion of the sales going to support Texas Tech Alumni Association and the Texas Tech Wine Marketing Institute. The more you sip the greater your support of the University!

Our 2018 Raider Sweet Rosé is produced from 100% Texas grapes. Fermented cold and stored in stainless steel tanks, this wine has aromas and flavors of cranberry and strawberry with refreshing acidity and a perfect touch of sweetness.

Serve this wine well chilled. Raider Sweet Rosé is much like a Blush or Mediterranean style Rosé and can be served with virtually any meal. Especially good on Game Day!
