The 2015 Cellar Reserve Tempranillo is a blend of 91% Tempranillo, 5% Petite Sirah, and 4% Malbec. The grapes for this wine were primarily sourced from the Newsom, Reddy, and Linker Vineyards located in the Texas High Plains AVA.

Our goal was to produce a wine that displays the true expressions of this variety from premium Texas vineyards. This wine possesses a rich bouquet of red berries, plums, mocha, and spicy toasted oak elements. Full & rich, with dark fruit flavors, this Cellar Reserve Tempranillo has ample tannins and lengthy finish.

We recommend serving Cellar Reserve Tempranillo at a cool room temperature, in a large wine glass with your favorite cut of meat, wild game, or Spanish tapas. Enjoy!
