In 2015 the Mont Sec Vineyard in far West Texas came through with excellent quality fruit. The final blend of this beautiful wine consists of 85% Chardonnay from Mont Sec Vineyard and 15% Roussanne from the Reddy Vineyard in Brownfield, Texas. Roussanne contributes richness to mouth flavor and enhances aroma with a honey suckle complexity.

To showcase the fruity aromatic components, the juice was cold fermented in stainless steel tanks with no oak aging. The 2015 Texas Chardonnay has not undergone secondary "Malo-lactic" fermentation, allowing it to retain the fresh Chardonnay pineapple fruitiness and a crisp balanced acidity.

Try 2015 Texas Chardonnay with foods that are richly textured such seafood dishes like lobster, linguini and clams, crab, scallops, or chicken cordon bleu. For something different, try pairing it with grilled pork tenderloin that has been rubbed in Jamaican spices. Cheers!
