Llano Estacado Pinot Grigio has become a very popular wine. Cold fermentation and a special strain of yeast combine to accentuate the fruity characteristics of aroma and bouquet. There is no oak used in the production of this wine; here we chose to showcase the beautiful, fruity aromatic characteristics of the variety.

2016 Pinot Grigio is made from Pinot Grigio grapes (77%) grown on the Texas High Plains (Reddy Vineyards) and Sauvignon Blanc (23%).

Pinot Grigio is a fragrant wine with fresh, fruit aromas of melon, lemon-grapefruit. This wine is perfect when served as an appetizer or reception wine.

We recommend this wine to be served with all types of seafood, salads, and poultry. Pinot Grigio is an excellent aromatic white wine to sip by the glass.
