The 2008 Cabernet/Shiraz is a blend of 80% Cabernet Sauvignon and 20% Shiraz. Our Llano Estacado Cabernet Shiraz was inspired by fine wines of similar blend proportions being produced in Australia. Australian winemakers have led the way in developing new and interesting wines by blending varieties not traditionally combined in a blend.

Llano Cabernet Shiraz is a youthful, richly textured wine with lots of forward berry and ripe cherry fruit. This wine will continue to improve with bottle age through 2013. Serve Cabernet Shiraz at cool room temperature (60° F) with your favorite Texas beef, wild game or pasta. Perfect with barbeque. Enjoy!
