Each year Llano Estacado Winery produces limited amounts of Red Raider wines. Red Raider wines were developed as a partnership between two icons of West Texas - Texas Tech University and Llano Estacado Winery. With a portion of the sales going to support the Texas Tech Alumni Association and the Wine Marketing Research Institute at Texas Tech University.

Our 2009 Raider Syrah is produced from 100% Texas grapes. It is a blend of 79% Syrah and 21% Tempranillo. Raider Syrah was barrel aged for 23-months in 59 gallon oak barrels, helping the wine to further develop complexity.

Raider Syrah is a fine example of the high quality wine Texas has to offer. We recommend this wine be served at a cool room temperature. Especially good for Texas BBQ on Game Day!
