The Llano Estacado Winery Wine Club is a perfect venue for us to showcase small, handcrafted batches of wine. In addition, we get the opportunity to bring recognition to the Llano Growers whose hard work allows us to make these special lots.

The 2010 Wine Club Cabernet Sauvignon was made from grapes grown at Newsom Vineyards in Plains, Texas. This block of Cabernet Sauvignon was planted in 1986 and over the years has been incorporated into our high end programs of Viviano and Reserve Cabernet. Due to the high quality of the fruit produced in 2010, we decided to hold a few barrels back for our Wine Club. Enjoy!
