The Llano Estacado Winery Wine Club is a perfect venue for us to showcase small, handcrafted batches of wine. In addition, we get the opportunity to bring recognition to the Llano Growers whose hard work allows us to make these special lots.

Vijay Reddy's vineyard in Brownfield has been a consistent producer of high quality grapes funding our Wine Club Program. This 2011 Montepulciano is no exception.

Its aromas of dried cherry, cranberry, cinnamon and cocoa translate into the mouth flavors. Ample tannin gives this wine a medium texture making it enjoyable with a variety of Italian dishes. While drinking beautifully now, this wine will continue to develop with extended aging.
