Riesling is a white grape variety which originated in the Rhine region of Germany. Llano Estacado Riesling is an aromatic wine displaying flowery, almost perfumed, aromas as well as balanced acidity. Our Riesling is made by arresting fermentation, creating a wine with natural sweetness and a touch of residual carbon dioxide. Riesling is a variety which is highly "terroir-expressive", meaning that the character of Riesling wines is clearly influenced by the wine's place of origin. Our Riesling grapes are grown on the Mont Sec Vineyard in Far West Texas, so this wine exemplifies our Texas terroir.

Llano Riesling is a versatile wine for pairing with food, because of its balance of sugar and acidity. It can be paired with white fish, pork, or smoked turkey and is one of the few wines that can stand up to the stronger flavors and spices of Thai and Chinese cuisine.

Serve this wine chilled and enjoy!
