THP Montepulciano was created by winemakers that believe in the magic of blended wines. This blend is composed entirely of Texas High Plains grapes, fermented as separate parcels and blended to achieve a balanced wine of complexity.

This terroir driven wine is highly perfumed with complex ripe aromatics of plum, earth, dried cherries, with just a kiss of oak. This is a medium bodied wine with refreshing acidity and soft, lush tannins.

Our THP blends were intended to be enjoyed at the dinner table. These varieties come together to create a savory effect when paired with food. Enjoy it tonight with your favorite pasta or gourmet pizza.
