---

Our Harvest Bourbon Barrel aged Cabernet Sauvignon represents a unique and flavorful experience. Crafted with ripe, Texas grown grapes, this wine spent over 3 months in once used 55-gallon Bourbon barrels for maximum flavor extraction.

This Cabernet Sauvignon has aromas of ripe berries as well as subtle tones of cherry and black pepper. The Bourbon barrels provide a sweet nose of baking spices, brown sugar and dark fruit with lingering notes of caramel and vanilla on the palate. Enjoy this wine with hearty meats, cheeses, or all on its own.
