THP Montepulciano was created by winemakers that believe in the magic of blended wines. Montepulciano is a non-traditional blend of 2 Italian varieties; Montepulciano 76% and Aglianico 12% combined with 2 Bordeaux varieties Merlot 5% and Cabernet Sauvignon 4% with Syrah 3% contributing fruit in aromatics and texture on palate. Montepulciano has established a high reputation on the Texas High Plains for wine quality and is appreciated by growers for its late bud break and full ripening properties.

Deep red in color, perfumed-complex ripe aromatics of plum and blackberries and medium tannins.

Wine and food is a natural match, being that this wine originated from grapes grown on the Texas High Plains, try Montepulciano with your favorite cut of beef, or perhaps pasta with a spicy red sauce, also perfect with most pizza. Salute!!
