The Dell Valley in Far West Texas has a longstanding reputation of excellence for the agricultural products grown there. Mont Sec's beginnings spring from grapes grown in the Dell Valley beneath Guadalupe peak. At over 4,000-feet above sea level Mont Sec is one of the highest altitude vineyard location in Texas. This is important as cool nights help the vines to retain their natural grape acidity.

This wine is 35% Grenache, 32% Mourvedre, 28% Carignane, and 5% Zinfandel all from the Mont Sec Vineyard. This is an easy-going fruity, yet dry rosé with fresh strawberry, watermelon, and floral aromas, clean and crisp on the palate. This rosé is perfect for most any occasion. Sever slightly chilled, Enjoy!
