We are proud to present our 35-year anniversary wine, "Celebrating the Past, the Present and the Future". In 2010 Llano Estacado Winery produced this Malbec from grapes grown on the Newsom Vineyard, located on Texas High Plains where we had our start. This wine was selected to represent what makes Llano Estacado Winery truly unique ..the ability to produce hand crafted, limited distribution, high quality wines, as well as crowd pleasing, affordable, everyday wines.

The 2010 vintage Malbec exemplifies the art of small batch wines with only 8 barrels produced. Aromas of plum, blackberry and black pepper follow in the mouth flavor; this Malbec has a smooth and lingering finish.

We know that it's not just the wine that makes Llano special. We gratefully acknowledge the vision, dedication, and ongoing support of everyone that has helped us to reach the 35-year milestone. Most importantly, we recognize you ... our consumer. "Thank you" from all of us at Llano, so let's toast to 35-years and many more to follow!
