Our 2011 Cellar Reserve Tempranillo is made from grapes grown exclusively on the Texas High Plains Appellation. Our winemakers combined Tempranillo grapes from the Newsom Vineyard of Plains, Tx, and the Reddy Vineyard from Brownfield, Tx, along with Merlot also from the Newsom Vineyard.

This wine exhibits the spice aromas of cinnamon and nutmeg. Plum, jam and vanilla flavors are complimented by cedar and pecan notes. With smooth tannins and a balanced acidity, this wine will pair with a variety of meals, such as full flavored pasta dishes, pepper crusted rib-eye, or try a mild dry aged cheese such as gouda. Enjoy!
