Our 2012 Texas Merlot is a blend of 76% Merlot, 17% Syrah and 4% Malbec and 3% Sangiovese. Due to a short Merlot crop in Texas from 2012, this wine is made from grapes grown in Texas and California.

This wine possesses softer tannins with a bouquet displaying notes of red berries, plums and prunes. Full in flavor, Merlot is perfect on its own or with a variety of meals.

Serve Merlot at a cool room temperature (58-70F) with meat or pasta dishes. Enjoy!
