Our 2020 Sauvignon Blanc is intensely aromatic with ripe citrus, fresh green herbs, and exotic tropical fruits. Created for fresh enjoyment, this wine is one to savor by the glass, but it's also particularly great with food. You can use your imagination when pairing this wine, but some of our favorites include aromatic foods like herbed chicken, green salads, or lighter seafood such as red fish, tilapia and scallops. Serve well chilled at 42°F.
